TO WHOM SO EVER IT MAY CONCERN

This is to certify that **Mr. Debjyoti Sikdar** is an active volunteer of **CRY-Child Rights and You** since 27th April 2023.

He is a devoted and passionate volunteer of CRY, consistently dedicating his time and leveraging his skills. Throughout his volunteering tenure, he was engaged in data entry, documentation, teaching children in our Dhapa Public Action Group and participated in various CRY campaigns.

We believe that this experience has sharpened his overall understanding on child rights and hope that he would remain an advocate of child rights.

We wish him all the best for future endeavours!

Thanking you.
